Dear Tim:

We hand you herewith two certificates of the Bureau of Vital Statistics, one dated September 23, 1926 and one dated October 1, 1926, both as to search for record of marriage of William Kitchke and Mary Eisleitner. The certificate of October 1 is an enlargement of the certificate of September 23 and shows that no record of such marriage has been found anywhere in New Jersey from July 1, 1896 to January 1, 1912.

The Bureau reported to us, however, that they did find a record of a marriage of one, William A. Kintch (colored) and Mary Christmas (colored) in Rahway on June 24, 1897. Because of the similarity of the man's name they sent us a certified copy of this record, which we enclose, though we doubt whether it is the man in whom you are interested.

Yours very sincerely,

KHL-M
